

Output for the Project Chatbot Creation

Click the link that redirects to localhost browser

The screenshot displays the PyCharm IDE interface for a project named 'PythonProject'. The left sidebar shows the project structure with folders for '.venv', 'library root', 'templates', and files 'app.py' and 'index.html'. The main editor window shows the 'app.py' file with the following code:

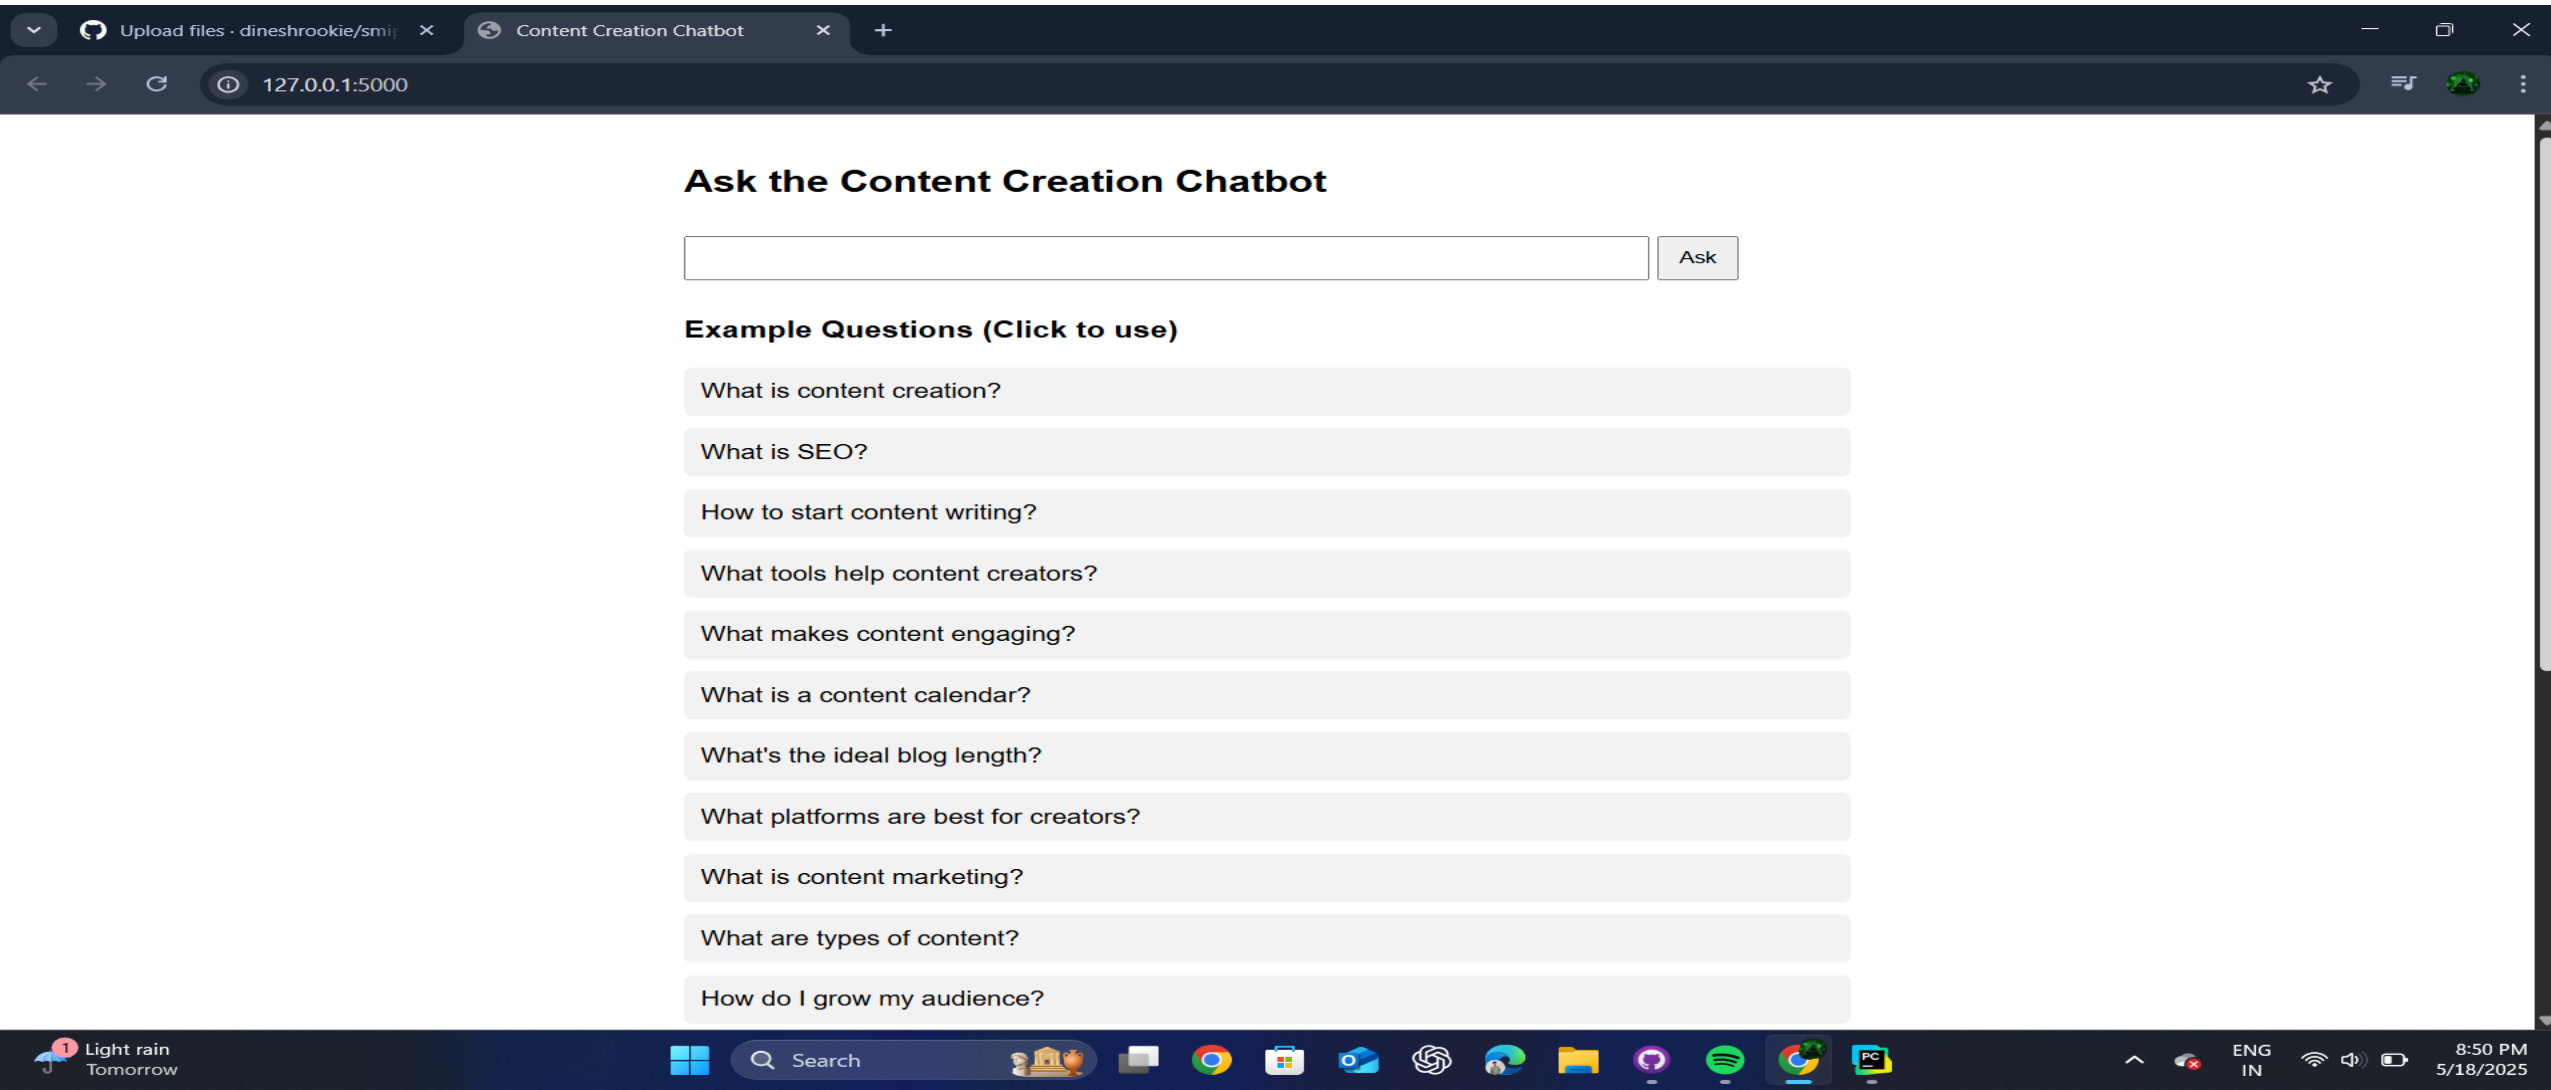

```
28
29 @app.route(rule: "/", methods=["GET", "POST"])
30 def index():
31     answer = None
32     user_question = ""
33     if request.method == "POST":
34         user_question = request.form.get("question", "")
35         answer = QA_PAIRS.get(user_question.strip(), "Sorry, I don't have an answer for that question.")
36     return render_template(template_name_or_list: "index.html", answer=answer, questions=QA_PAIRS.keys(), user_question=user_question)
37
38 if __name__ == '__main__':
39     app.run(debug=True)
40
```

The bottom panel shows the 'Run' output for the 'app' configuration. The output text is as follows:

```
* Serving Flask app 'app'
* Debug mode: on
WARNING: This is a development server. Do not use it in a production deployment. Use a production WSGI server instead.
* Running on http://127.0.0.1:5000
Press CTRL+C to quit
* Restarting with stat
* Debugger is active!
* Debugger PIN: 810-958-409
```

The status bar at the bottom indicates the project is 'PythonProject', the file is 'app.py', and the Python version is 'Python 3.13 (PythonProject)'.

Output that redirects you that to local browser

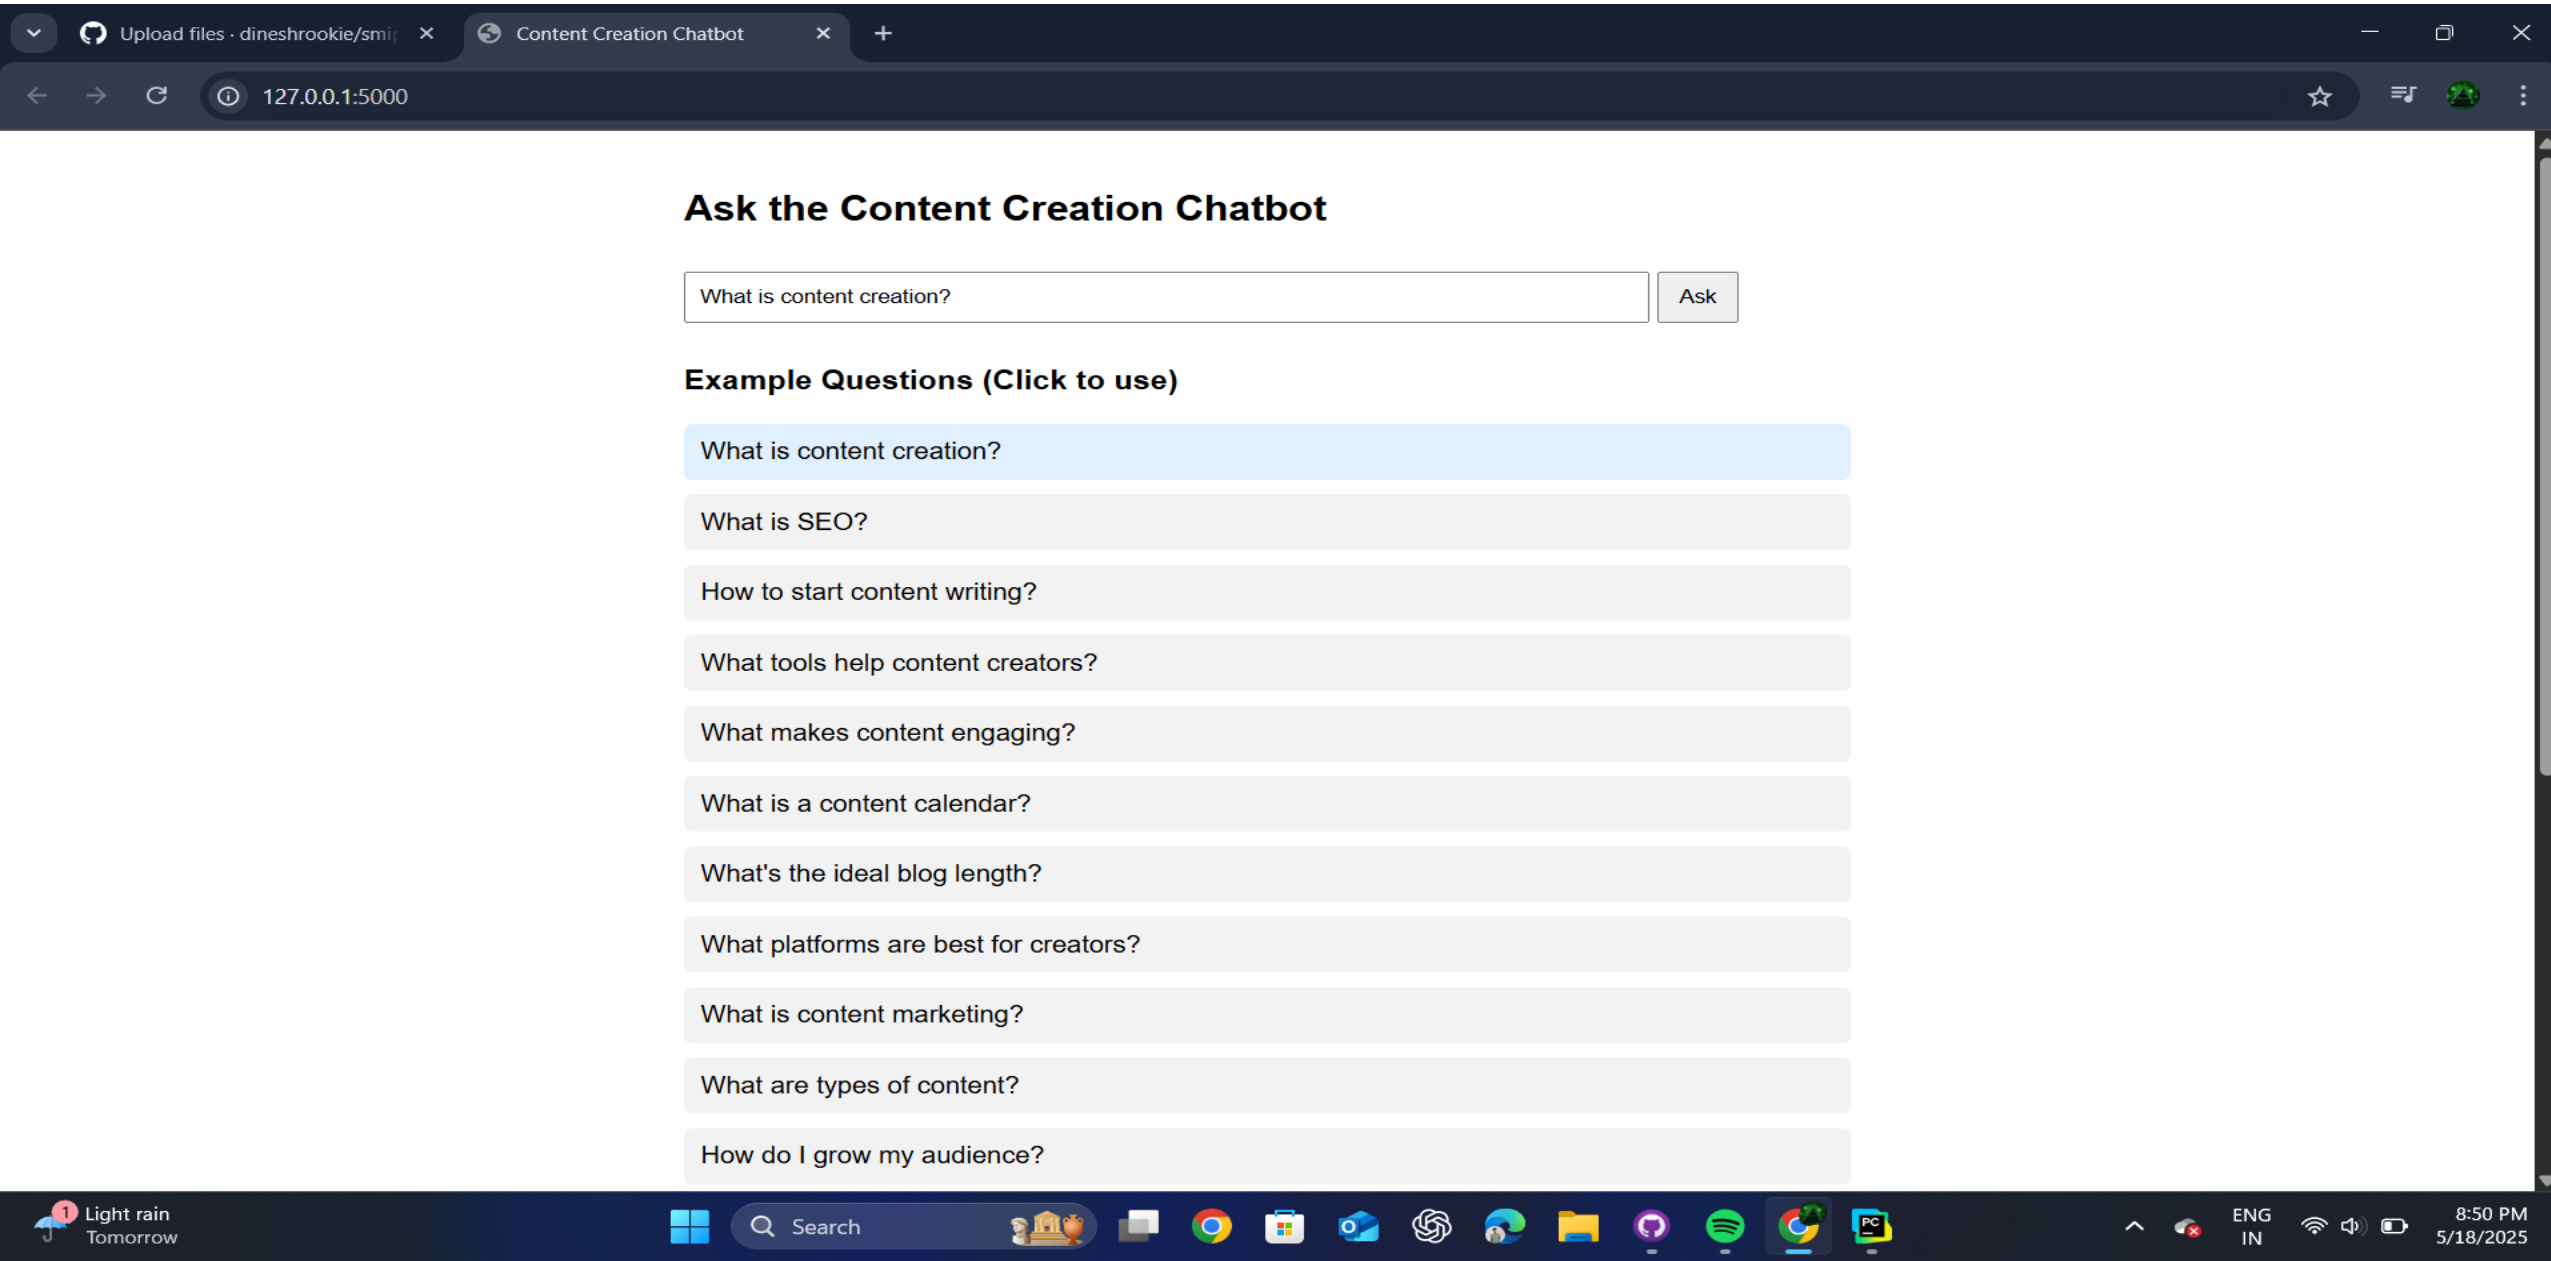

The screenshot shows a web browser window with two tabs: 'Upload files - dineshrookie/smi' and 'Content Creation Chatbot'. The address bar displays '127.0.0.1:5000'. The main content area is titled 'Ask the Content Creation Chatbot' and features a text input field with an 'Ask' button. Below this, a section titled 'Example Questions (Click to use)' lists twelve questions, each in a light gray button:

- What is content creation?
- What is SEO?
- How to start content writing?
- What tools help content creators?
- What makes content engaging?
- What is a content calendar?
- What's the ideal blog length?
- What platforms are best for creators?
- What is content marketing?
- What are types of content?
- How do I grow my audience?

The Windows taskbar at the bottom shows the system clock at 8:50 PM on 5/18/2025, along with weather information (Light rain Tomorrow) and various application icons.

Select the question from the list and ask

The screenshot shows a web browser window with two tabs: 'Upload files · dineshrookie/smi' and 'Content Creation Chatbot'. The address bar shows the URL '127.0.0.1:5000'. The main content area is titled 'Ask the Content Creation Chatbot'. It features a text input field containing 'What is content creation?' and an 'Ask' button. Below this, there is a section titled 'Example Questions (Click to use)' which lists ten questions in a scrollable list. The first question, 'What is content creation?', is highlighted in light blue. The browser's taskbar at the bottom shows various application icons, a search bar, and system status information including weather ('Light rain Tomorrow') and time ('8:50 PM 5/18/2025').
